

You Can Help Your Child Read...

When your child reads to you, ask him/her to:

1. Use his/her finger to point to each word that is read.
2. Look at the pictures for clues to a word.
3. Look for chunks of known letters to get clues to a word.
4. Ask himself/herself, "Does it look right?"
5. Ask himself/herself, "Does it sound right?"
6. Ask himself/herself, "Does it make sense?"
7. Start over to fix it up or check an unknown word.
8. Know that reading makes sense.
